CRAFTAMP designed CHARGER STATION

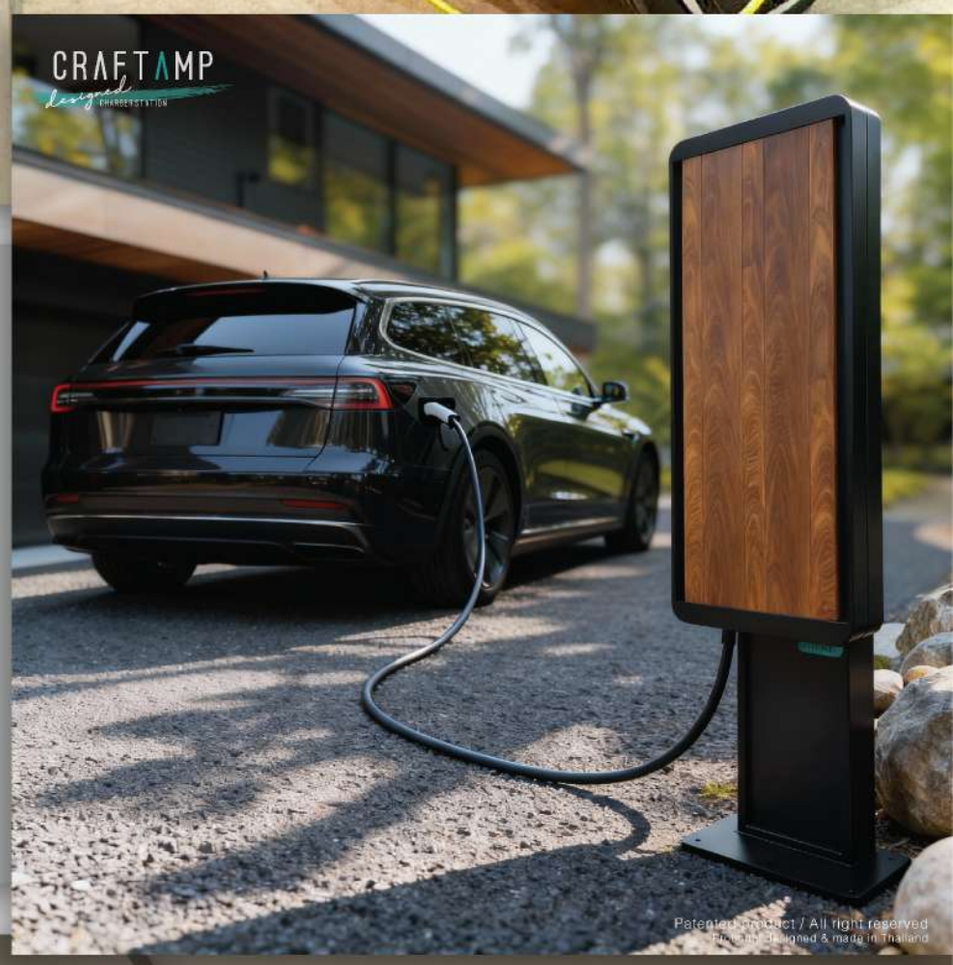
3 Flexible usage to craft your own charging style

FLEXI **Body only**

For wall-attatched installation.
Designed to blend seamlessly with your home's wall
while concealing the charger and equipment.
Create your private and ease of charging.

w x d x h :
420 x 230 x 950 mm.

Available in :
Black Steel / Black Aluminium / Cream Aluminium



FLEXI **Body + Stand**

Perfect for maximum flexibility in placement.
Ideal for outdoor parking areas, driveways, or locations without a wall
for mounting the charger. Simply route the electrical system to the box
and conceal everything inside for a clean, refined living style.

w x d x h :
420 x 230 x 1400 mm.

Available in :
Black Steel / Black Aluminium / Cream Aluminium

FLEXI **Body + Decorative wall mount**

The ultimate solution for conduit wiring down from the ceiling.
Creates a seamless, built-in look, like it was originally designed
with your home. Easy to upgrade or service in the future
while keeping your home looking flawless.

w x d x h :
420 x 230 x 2400 mm.

Available in :
Black Aluminium / Cream Aluminium
